The Airstream location is arguably the best space in Mac Market. An eye-catching vintage Airstream has been tastefully renovated with fresh white and wood accents, and permanently connected to power and water. Ideal uses that fit within the space as-built (TI possible) and would complement and enhance current offerings include:

- Ice cream/gelato/granita/milkshakes (boozy??)/sweet shop
- Asian rice bowls or ramen; possibly sushi
- Latin/Hispanic snacks...nachoria??

- 18-room boutique hotel
- 4-acre development site with strong high-density housing focus
- Mac Tool Library
- Artists studios
- Completion of the landscape pedestrian-friendly roadway from 11th Avenue to 14th/Riverside

Mac Market owner, Diana Riggs, is an active member of the community as a board member for Visit McMinnville, McMinnville Urban Renewal Area Committee, and McMinnville Economic Vitality Leadership Committee. She has her finger on the pulse of McMinnville and is an strong advocate for the thoughtful development of Alpine Avenue.
